

Curriculum Vitae

of

Yanis Varoufakis

1. Personal information

Place and date of birth: Athens, 24 March 1961
Nationality: Greek and Australian
Address - US: 201 Lavaca Street, Apt 312, Austin, Texas 78701, USA
Address – Athens: 4 Hatzichristou Street, Acropolis, Athens 11742, Greece
E'mail: yanisvaroufakis@gmail.com and yanisv@econ.uoa.gr
Telephone - US: Cell: +1-425-7367286, Home: +1-512-3584000
Telephone – Greece: Mobile: +30-6937177387, Home: +30-210-9233223

2. Educational Background

Doctorate: **University of Essex, Department of Economics, 1987, PhD in Economics**; Title: *Optimisation and Strikes*; Description: A statistical investigation of competing time series, cross-section, econometric, parametric and game theoretical models of industrial strikes based on USA and UK data. The data sets used were of two forms: macroeconomic (aggregate) and panel data.
Supervisor: Professor Monojit Chatterji (currently at Cambridge University)
Examiners: Professors David Ulph (University of Bristol) and Anthony Shorrocks (University of Essex).

Masters: **University of Birmingham, Department of Mathematical Statistics, 1982, MSc in Mathematical Statistics**
Specialisation: Time series, statistical inference, statistical theory, stochastic processes, limited dependent variable estimation, maximum likelihood estimation, non-parametric statistics.

Bachelor: **University of Essex, School of Mathematical Studies, 1981, BA(Hons) Mathematical Economics**

High School **Moraitis School, Athens, Greece**

3. Academic positions

Primary positions

January 2013 to date

Visiting Professor, *Lyndon B. Johnson School of Public Affairs, University of Texas, Austin, USA*

September 2006 to date

Professor of Economic Theory, *Faculty of Economic Sciences, University of Athens, Athens, Greece*

Other current appointments

September 1996 to date

Hoover Fellow in Economic and Social Ethics, *Université Catholique de Louvain, Louvain-la-Neuve, Belgium*

Previous appointments

FULL TIME

September 2000 to September 2006

Associate Professor of Economic Theory, *Faculty of Economic Sciences, University of Athens, Athens, Greece*

January 1990 to 2002

Senior Lecturer in Economics (tenured), *Department of Economics, University of Sydney*

September 1995 to September 1996

Senior Lecturer, *Department of Political Economy, University of Glasgow UK*

September 1988 to December 1990

Lecturer in Economics, *Department of Economics, University of Sydney, Sydney*

April 1986 to September 1988

Fellow and University Lecturer, *Department of Applied Economics and Trinity College, University of Cambridge UK*

January 1986 to September 1988

Lecturer, *School of Economic and Social Studies, University of East Anglia, Norwich UK*

April 1985 to December 1986

Senior Research Associate, *Economics Research Centre, School of Economic and Social Studies, University of East Anglia, Norwich UK*

October 1983 to April 1985

Teaching and Research Assistant, *Department of Economics, University of Essex UK*

PART TIME

February 1991 to December 2000

Visiting Professor, *Graduate School of Business, University of Sydney*

June 1993 to September 1993

Visiting Professor, *Australian Graduate School of Management, Sydney*

Previous administrative positions

- Director, Political Economy Program, Faculty of Economic Sciences, University of Athens, 2002/3 and 2006 to date
- Director, Poverty Monitoring Research Unit (A joint venture of the Greek Confederation of Trades Unions and the Faculty of Faculty of Economic Sciences, University of Athens)
- Founding Director of UADPhilEcon (The University of Athens Doctoral Program in Economics). Department of Economics, University of Athens (2001-2008)
- Director of the First Year economic principles course at Sydney University; a course with an enrolment of 1600 students from the Faculties of Business, Economics and Arts. My responsibilities included the management of the five lecturers and the 23 tutors who were involved in the running of the course (1994-1999)
- Director of Third Year studies which involved overseeing, and being responsible for, 29 semester courses and 650 students each year (1992-1994)

4. Major research areas

- A. *Political Economy*
- B. *Strategic choice (game) theory and its links with economic and political philosophy*
- C. *Experimental social sciences*
- D. *Industrial relations and models of wage inflation in Britain and Australia*
- E. *Statistical theory and method*
- F. *Commodity prices*
- G. *Economic education*

5. Publications

Books

1. Y. Varoufakis (2014). *Economic Indeterminacy: An encounter with the economists' peculiar nemesis*, London and New York: Routledge - forthcoming
2. Y. Varoufakis (2013 2nd edition, 2011 1st edition). *The Global Minotaur: America, the True Causes of the Financial Crisis and the Future of the World Economy*, London and New York: Z Boos [translated in German, Italian, Greek, Arabic (Egypt), Spanish, Czech, French, Chinese]
3. Y. Varoufakis, J. Halevi and N. Theocarakis (2011). *Modern Political Economics: Making sense of the post-2008 world*, London and New York: Routledge
4. Hargreaves-Heap, S. and Y. Varoufakis (2004). *Game Theory: A Critical Text*, London and New York: Routledge
5. Y. Varoufakis (ed.) (2000). *Game Theory: Critical Concepts Vol. 1-5*, London: Routledge. A 1600 page, five volume anthology of papers/chapters on game theory in five volumes, each with an introduction by the editor (see Chapters in Books for titles). **Volume 1:** Foundations, **Volume 2:** Refinements, **Volume 3:** Economic Applications, **Volume 4:** Game theory in the Social Sciences, **Volume 5:** Philosophical Discontents
6. Y. Varoufakis (1998). *Foundations of Economics: A beginner's companion*, London and New York: Routledge (translated in Chinese)
7. Hargreaves-Heap, S. and Y. Varoufakis (1995). *Game Theory: a critical introduction*, London and New York: Routledge (Japanese and Italian translations)
8. Y. Varoufakis (1991). *Rational Conflict*, Oxford: Blackwell Publishers
9. Y. Varoufakis and D. Young (eds.) (1990). *Conflict in Economics*, Hemel Hempstead: Wheatsheaf and New York: St Martin's Press
10. Y. Varoufakis (1988). *Econometric Methods on MINITAB: A manual*, Norwich: University of East Anglia

Books in Greek

11. Y. Varoufakis (2012). *Ο Παγκόσμιος Μινώταυρος: Τα πραγματικά αίτια της κρίσης*, Αθήνα: Εκδόσεις Λιβάνη
12. Y. Varoufakis (2011). *Crisis Lexicon: The economic terms that oppress us [Κρίση Λεξιλόγιο: Οι οικονομικοί όροι που μας καταδυναστεύουν]*, Athens: Potamos
13. Y. Varoufakis (2007). *Θεωρία Παιγνίων: Η θεωρία που φιλοδοξεί να ενοποιήσει τις κοινωνικές επιστήμες [Game Theory: The theory which is meant to unify the social sciences]*, Athens: Gutenberg
14. Y. Varoufakis (2007). *Πολιτική Οικονομία: Η οικονομική θεωρία στο φως της κριτικής [Political Economy: Economic theory in a critical light]*. Athens: Gutenberg
15. Y. Varoufakis and N. Theocarakis (2004). *Μικροοικονομικά Υποδείγματα Μερικής και Γενικής Ισορροπίας [Microeconomic Models of Partial and General Equilibrium]*, Athens: Gutenberg

Chapters in Books

1. Y. Varoufakis (2013). 'We are all Greeks now: The crisis in Greece in its European and Global context', in A. Triandafylidou (ed), *The Greek Crisis and European*

- Modernity, London: Palgrave Macmillan
2. Y. Varoufakis (2010). 'Game Theory' in *The Encyclopedia of Political Theory*, Vol.2, edited by Mark Bevir, Los Angeles: Sage Publications, pp. 541-4
 3. Y. Varoufakis (2009). 'A most peculiar success: Constructing UADPhilEcon, a Doctoral Program in Economics at the University of Athens, in Robert F. Garnett Jr, Erik Olsen, Martha Starr (eds.). *Economic Pluralism*, London and New York: Routledge
 4. Arnsperger, C. and Y. Varoufakis (2007). 'What is Neoclassical Economics? The three axioms responsible for its theoretical oeuvre, practical irrelevance and, thus, discursive power', in E. Fulbrook (ed.). *Pluralism in Economics*, Cheltenham: Edward Elgar
 5. Y. Varoufakis (2000). 'Great Expectations: Game Theory's Promise to Unify the Social Sciences', in Y. Varoufakis (ed.) (2000). *Game Theory: Critical Concepts Vol.1*
 6. Y. Varoufakis (2000). 'Second Wind: Game Theory Comes of Age', in Y. Varoufakis (ed.) (2000). *Game Theory: Critical Concepts Vol. 2*
 7. Y. Varoufakis (2000). 'Takeover: Game Theory's Influence on Economics', in Y. Varoufakis (ed.) (2000). *Game Theory: Critical Concepts Vol. 3*
 8. Y. Varoufakis (2000). 'Beyond Economics: Game Theory's foray into the Social Sciences', in Y. Varoufakis (ed.) (2000). *Game Theory: Critical Concepts Vol. 4*
 9. Y. Varoufakis (2000). 'Game Theory's Philosophical Foundations: Internal and External Critique', in Y. Varoufakis (ed.) (2000). *Game Theory: Critical Concepts Vol. 5*

6. Teaching experience

Summary

A list of courses I have taught, and research supervision I have performed, at Universities in the United Kingdom, Australia, the United States of America, Belgium and Greece follows. For more details, see the addendum below:

<i>General courses</i>	Global and European Crises, Political Economy; Microeconomics; Macroeconomics (especially New Classical and Post-Keynesian); Game and Bargaining Theory; Labour Economics and Industrial Relations; International Economics; Development Economics; Mathematical Methods; Applied Econometrics; History of Economic Thought
<i>MBA Courses</i>	Microeconomics for Management; Markets and Prices
<i>Graduate courses</i>	Philosophical, Economic and Political Liberalism; Ethics; Game Theory and Decision Theory; Applied Econometrics; Methodology of Economics; General Equilibrium Theory; Value and Growth; The Global and European Crises
<i>Research Supervision</i>	Supervised to completion seven PhD students (five of whom are now tenured academics) plus numerous MPhil, MA and Honours theses.

TEACHING AND RESEARCH SUPERVISION

ADDENDUM

TEACHING

2013- *Lyndon B. Johnson School of Public Affairs, University of Texas, Austin, USA*

Teaching two Graduate Courses per semester to classes of fifteen PhD students:

Semester 1

- (1) The European Crisis in its Global Context
- (2) Value, Growth and Development

Semester 2

- (1) An Anatomy of Economic Liberalism
- (2) Strategic Behaviour

2000-12 *Department of Economics, University of Athens, Greece*

Teaching one undergraduate and one postgraduate course per semester:

UNDERGRADUATE COURSES

- (1) Introduction to Political Economy
- (2) Microeconomic Theory: Markets and General Equilibrium

POSTGRADUATE COURSES

- (1) Game and Bargaining Theory
- (2) Political Philosophy

1990-2000 *Department of Economics, University of Sydney, Australia*

UNDERGRADUATE COURSES (offered as part of the Bachelor of Economics)

- (1) Introduction to Microeconomics
- (2) Game Theory
- (3) Macroeconomics (Intermediate)
- (4) Applied Economic Policy Seminars

POSTGRADUATE COURSES (offered as part of the Masters of Economics & Econometrics; except No. 3 which was offered as part of the Masters of Arts)

- (1) General Equilibrium Theory
- (2) Applied Econometrics
- (3) Anatomy of Liberalism

1993-4 &
1998-9

*Australian Graduate School of Management,
University of New South Wales, Australia*

Graduate MBA courses taught:

- (1) Markets and Prices
- (2) Strategic Decision Making

1995-6 *Department of Political Economy, University of Glasgow,
Scotland*

Taught four undergraduate courses:

- (1) Introduction to Economics
- (2) Mathematical Economics
- (3) The Theory of Bargaining
- (4) Monetary Theory and Policy

1986-8 *University of Cambridge – Trinity College and
Department of Applied Economics*

Taught three undergraduate courses:

- (1) General Equilibrium Theory (Trinity)
- (2) Game Theory (Trinity)
- (3) Econometrics (DAE)

1984-6 *School of Economic and Social Studies, University of East
Anglia, UK*

Taught five undergraduate and two graduate courses (as part of the BA in Economics and Social Studies and the MA in Economics and Econometrics respectively)

UNDERGRADUATE COURSES

- (1) International Trade Theory
- (2) Labour Economics
- (3) Microeconomics
- (4) Econometrics
- (5) Development Economics

GRADUATE COURSES

- (1) Game Theory
- (2) Advanced Econometrics

1982-4 *Department of Economics, University of Essex, UK*

Taught three undergraduate courses:

- (1) Intermediate Microeconomics
- (2) Labour Economics
- (3) Introductory Econometrics

RESEARCH SUPERVISION

PhD Theses

Principal Supervisor

I have supervised seven PhD theses from beginning to completion as Principal Supervisor. The said theses were submitted to the following universities:

University of Sydney, Australia: 3 theses
University of Athens, Greece: 3 theses
Catholic University of Louvain-la-neuve, Belgium: 1 thesis

Of these seven doctoral candidates five moved on to tenured academic positions in Belgium, Greece, the UK and Australia.

Associate Supervisor

Acted as associate supervisor of thirty seven PhD candidates. The distribution of the latter across different universities follows:

University of East Anglia, UK: 1 thesis
University of Cambridge, UK: 1 thesis
University of Glasgow, UK: 2 theses
University of Sydney, Australia: 14 theses
University of New South Wales, Australia: 1 thesis
University of Western Sydney, Australia: 2 theses
Athens University of Economics and Business, Greece: 3 theses
University of Athens, Greece: 12 theses
University of Sienna, Italy: 1 thesis

PhD External Examiner

Acted as external PhD examiner at the following Universities:

School of Oriental and African Studies, University of London
Birkbeck College, University of London
University of Cambridge
University of Strathclyde
University of New South Wales, Australia
University of Macquarie, Australia
University of Western Sydney
Catholic University of Louvain-la-neuve, Belgium
Athens University of Economics and Business, Greece: 3 theses

Masters Theses/Honours Dissertations

Over the past 29 years I have acted as supervisor/examiner to more than three hundred masters theses/dissertations at the following universities:

University of East Anglia, UK
University of Cambridge, UK
University of Glasgow, UK
University of London, UK
University of Sydney, Australia
University of New South Wales, Australia
University of Western Sydney, Australia
Athens University of Economics and Business, Greece
University of Athens, Greece
University of Rome, Italy
Catholic University of Louvain-la-neuve, Belgium
